¹Standard metropolitan statistical area titles and definitions are as established by the Office of Management and Budget in 1975. (See SMSA definitions in appendix IV, page 368. Appendix III provides percent population in permit places for SMSA's.) The figures shown in this table represent a direct summation of reported data for the 14,000 places identified as permit-issuing in 1972. They include estimates made individually for a number of places which did not respond to the annual mail survey or which provided reports for fewer than 12 months (if in the monthly survey panel).
