¹Standard metropolitan statistical area titles and definitions are as established by the Office of Management and Budget in 1975 and amended to November 1979. (See SMSA definitions in appendix 11.) The figures shown in this table represent a direct summation of reported data for the 16,000 places identified as permit-issuing in 1978. They include imputed data for those places which did not respond to the annual mail survey or which provided reports for fewer than 12 months, if canvassed monthly.
