Note: Beginning January 1973, the data shown for Tables 3 and 4 refers to housing units authorized in 14,000 permit-issuing places. Table A provides the relationship between the 14,000 place series and the previously published 13,000 place series.

- Represents zero.

¹All housing units authorized in permit-issuing places as nonfarm even though a negligible number are located on farm properties.

²For explanation, see sampling variability on page 95.

Beginning January 1973 the data shown for Tables 3 and 4 refers to housing units authorized in 14,000 permit-issuing places. Table A provides the relationship between the 14,000 place series and the previously published 13,000 place series.

June 1973

Beginning January 1973 the data shown for Tables 3 and 4 refers to housing units authorized in 14,000 permit-issuing places. Table A provides the relationship between the 14,000 place series and the previously published 13,000 place series.
